

2021 Strategic Plan

GOAL 1

Enhance high-quality future focused teaching & learning

- Develop a localised curriculum
- Embed learner agency
- Grow staff professional capability for continuous improvement for student achievement
- Have a clear focus on what supports the progress of all learners

GOAL 2

Practices are inclusive, respectful and culturally centred

- Embrace our bicultural heritage and be identifiable as a school of Aotearoa
- Extend cultural understanding and opportunities for all learners/ākonga

GOAL 3

Foster inclusive and collaborative partnership with our community based upon shared goals and values

- Invite our community to participate in shared learning experiences and wider school events
- Develop more effective communication pathways for our community to grow partnerships with families/whānau and the community to support and enhance students learning.
