

Homework for Whānau!

Knowing your tamariki is VERY important to us so we have included a form for you to complete and return to school on our Whānau and Meet the Teacher evening.

Your class teacher will have a special place when you visit their room to place these very important forms in, or you may just print and scan the completed form to your child's teacher via email. If you require a paper copy please just contact the teacher.

**Tell us about your whānau:
Who lives in your house?**

Child's Name:

Who are the special people in your child's life?

What family values, cultures, traditions or holidays are special to you?

**When you think of your child, what makes you proud of them?
What are their strengths?**

What passions, talents and interests does your child have outside of school?

**What are your aspirations for your child this year?
(This can be anything that you think I can support your child with.)**

Do you have any concerns (socially or academically) that you would like me to know about?
