He rau ringa e oti ai. Many hands make light work

We're excited to share that our brand-new junior playground is now open! This has been a huge project for our school community, and we're proud that the PTA contributed \$100,000 towards making it a reality. A massive thank you to everyone who has supported our fundraising efforts over the years—your contributions have helped create a fantastic new space for our tamariki to enjoy.

Another big thank you goes to our junior classes for baking up a storm for the recent bake sale, and to everyone who came along and purchased a treat—we raised over \$900! Events like these show how much we can achieve together.

We are very excited about the upcoming disco on 12 September, get your cosmic outfits ready to blast off! Please note **the disco will now be in the school hall**, not the Year Four Titoki canopy as advertised. Tickets and vouchers are available for purchase via Kindo.

If you'd like to be part of the fun and help make even more great things happen for our school, we'd love for you to get involved with the PTA. Every helping hand makes a difference! Please get in touch if you would like to find out more pta@botanydowns.school.nz
